

June 2021

THANK YOU TO OUR COMMUNITY MEMBERS & ALLIES FOR YOUR CRUCIAL SUPPORT!

As you know, *Niagara Chapter - Native Women Inc.* is not a core-funded organization and we are responsible for all expenses incurred by our charity. This is where **YOU** can help – donations provided by friends and supporters help us continue providing our valuable services into a certain future. We are proud to announce that alongside our annual **Moving Forward, Walking Together** online campaign, *CanadaHelps* has launched its annual **Great Canadian Giving Challenge** with an increased grand prize of \$20,000!

What is The Great Canadian Giving Challenge? It is a National public contest to benefit any registered Canadian charity. Every \$1 donated to a registered charity in June via the **CanadaHelps profile** automatically enters the charity to *win* an additional \$20,000 donation. The grand prize draw will take place on *July 1st, Canada Day*, and one lucky charity will receive this new grand prize of \$20,000. CanadaHelps knows that the charitable sector has been hit hard by COVID-19, and has doubled the prize this year! Full contest details are available [here](#).

This contest will be running from June 1st to June 30th. The contest allows every dollar donated via our CanadaHelps.org profile to become one entry to win the \$20,000 prize. If you would like to donate, now is the time! With \$20,000 some things we can continue to develop are: our annual scholarships awarded to Indigenous youth preparing for post-secondary education, teaching workplace leadership skills to students transitioning to the workforce, keeping families out of court, and helping a multitude of Indigenous youth who are aging out of the foster care system each year; as well as keeping our critical programs and services running during the pandemic.

Additionally, if you find that you resonate with our mission and services provided, we would love for you to become a monthly donor [here](#). If you want to know more about the services and work *NCNW* is putting in even during the period of COVID-19, check out our website [here](#) or read our May 2021 newsletter [here](#).
